

Workshop Name:

Active Intruder/Shooter Training

Workshop Overview:

The incident of an active intruder/shooter appears to be a daily occurrence somewhere worldwide. The number of events affecting healthcare organizations has increased. Knowing how to respond is critical to saving lives. Our subject matter experts will provide education on how to plan, prepare, respond, and recover from an active intruder/shooter or violent event.

Workshop Objectives:

- Define Active Intruders/Shooters
- Describe characteristics of an Active Intruder and Active Intruder incidents
- Describe actions to take to prevent and prepare for potential Active Intruder incidents
- Describe actions to take when confronted with an Active Intruder
- Describe actions to take with the responding law enforcement officials
- Identify indicators of violence
- Review Healthcare facility considerations

Recommended Participants: Healthcare Administrators, Emergency Operations Program Planning Teams, All Health Care Workers

Workshop Length: 1.5 Hours

Prerequisites: None

Cost: \$150 per organization
