

Workshop Name:

Emergency Operations Plan (EOP) Templates

Workshop Overview:

Based on the Centers for Medicare and Medicaid (CMS) emergency preparedness regulatory updates; CHUG has completely revamped the Emergency Operations Plan (EOP) templates. Consisting of over 350 documents and forms it can be challenging for a new or existing user to navigate. Learn how the EOP is organized and how the components complement each other for a cohesive EOP for your organization. The purpose of this workshop is to provide guidance on the structure of the plan, its components and how to implement for your organization.

Workshop Objectives:

1. Understand the rationale behind the structure and components of the plan
2. Know how to relate Plans, Policies, Procedures and Forms to regulatory compliance
3. Understand how to navigate through the plan
4. Know how to customize, implement, and execute the plan

Recommended Participants: Healthcare Administrators and Emergency Operations Program Planning Teams
